Scholarship Application

SEMARA awards an annual scholarship up to \$500 based on merit, need and academic performance to a high school senior in Southeastern Massachusetts. The student must currently be or will be enrolled in a college course in a field such as electronics or computers, with preference given to holders of an amateur radio license. Winners or their representatives must attend the May business meeting, held at 7:00 PM on the first Thursday of the month and read their essay to receive their scholarship check.

**Include your completed 600-word essay and high school transcripts with this application. Attach two (2) letters of reference along with their names, addresses and phone numbers. Mail completed application package to:
